

DIRECTIONS TO FRANCOLINHOF

From the Garden Route

11kms on the Cape Town side of Riviersonderend there is a turn off to the left marked Stanford (R326) - "Hermanus" is very badly marked and only after you have made the turn ! Stay on it until it comes to end (about 40 minutes or 54km later) at an intersection at Stanford. On this road you will pass the Raka wine farm on your left and Kleinrivier Cheese farm a little further on, on your right. Both of these are worth a visit.

When the road ends you will be in Stanford. Turn right onto the R43 and travel to Hermanus (about 22kms) - as you enter the built up area the road widens. Go about 2 kms along the road and you will notice that the 'avenues' are perpendicular to the road that you are on.

FrancolinHof is in 10th Avenue (you enter from the Stanford side at the intersection of 18th Avenue). At 10th Avenue there is a sign pointing left down to Grotto Blue Flag Beach and a 'guest house' sign pointing right up towards the mountain.

Turn into 10th Avenue – continue to the *very top* where you will see FrancolinHof.
