

## FROM CAPE TOWN CENTRE OR THE AIRPORT

Travel along the N2, through Somerset West –

### Direct Route (about 1 ½ hours drive)

Go up Sir Lowry’s Pass, pass the turn offs to Elgin & Grabouw, and continue up the Houw Hoek Pass.

As you descend the other side you will get to a very sharp hairpin bend corner and soon after that you will begin to see the signs for the turn off to Hermanus - R43.

You feed off to the left and cross the N2 on a flyover and you will pass Arabella Golf Estate and Western Cape Spa on your right ....\*\*

### OR - Scenic Coastal Route (about 2 hours drive)

After passing through Somerset West and as you start to approach Sir Lowry’s Pass, you will come to the intersection of the R44. Follow this road which will eventually take you past the Arabella Golf Estate and Western Cape Spa where you join the R43 to Hermanus....\*\*

\*\* About 24 kms after the Arabella Golf Estate you arrive in Hermanus. Follow the signs to Stanford/Gansbaai which will take you through Hermanus – until you reach a large traffic circle (roundabout) – the only one you will come to!!

Go ½ way around the circle (ie keep going straight!) past the Friendly Seven Eleven store on your left, and just as you come to the top of a small rise in the road, you will see 10<sup>th</sup> Avenue. (One signboard will point right to Grotto Blue Flag Beach and other points to ‘guest house’ left up to the mountain.) Continue *straight up* 10<sup>th</sup> Avenue – we are at the very top of the road.
